POUR ELLE:

SENSUAL. ADDICTIVE. IRRESISTIBLY FEMININE.

Indécence - Pour Elle opens with a vibrant burst of citrus and sparkling spices, where bergamot meets the warmth of cardamom and the resinous glow of elemi, while pink pepper ignites the senses with a subtle, addictive heat.

At its heart, a luminous floral bouquet unfolds: white flowers, violet, and rose, wrapped in a delicate touch of juicy cherry; creating a soft yet provocative contrast between elegance and temptation.

The base reveals its true indulgence: warm vanilla, caramel, and a hint of sugar melt into creamy tonka bean and silky white musk, leaving behind a deliciously addictive gourmand trail.

A fragrance that lingers like a secret on warm skin.
Sweet, daring, and unforgettable.

POUR LUI:

BOLD. MAGNETIC. INTENSELY CHARISMATIC.

Indécence - Pour Lui opens with a sharp and vibrant blend of bergamot and grapefruit, enhanced by the luminous resin of elemi and ignited by pink and black pepper for an immediate, electrifying impact.

The heart reveals an elegant fougère structure: aromatic lavender and delicate white florals, softened by smooth cashmere wood and warm tonka bean; balancing freshness with depth.

In the base, an oriental signature emerges: earthy moss, refined cedarwood, smoky guaiac wood, rich benzoin, and subtle vanilla create a warm, sensual, and long-lasting trail.

A fragrance that commands attention without asking for it.
Powerful, refined, undeniably seductive.

Indécence stands out through its deliberate balance between sensual intensity and refined elegance. Each fragrance is built with a clear emotional intention: to create tension, presence, and memorability on skin.
